

# Your Skincare Journey: Day & Night Routine

Layla was tired of her skin feeling roug, dry, or breaking out. She kept trying different products, but nothing seemed to work. Then she discovered the secret-understanding her skin type

Why is my Skin always dry and dull! I keep trying new products, but nothing works

## Wash Your Face

Clean with gentle cleanser and pat dry

## Wait 30 minute

Don't apply any product

## Blot Test Face

Press a blotting paper on different areas on you face

## Check the Result

Observe the oil levels on the paper

## Your Personalized Skincare Routine

Morning or night, my skin needs care! In the morning, I protect it from sun and pollution, and at night, I let it heal and recover. Choos-ing right routine for my skin type made all the difference

I never know skincare routine could be this easy! Know I feel confident in my skin

Layla finally found what worked for her skin. She stayed consistent, and overtime, her skin tranformed
